DTX Engineering Farm

“ Choose From The Best of the Best ”

Company Profile

About Us

Our Mission:

Our Mission is to provide quality & innovative Product of vertical transportation of people, maintain stringently ethical standard in business operation also ensuring benefits to the stakeholders and the society at large level.

Our Vision:

We will be one of the most trusted, admired and successful Elevator & Engineering company in Bangladesh with a focus on innovative design.

Our Values:

Our core values define who we are; they guide us to make decisions and help us realize our individual differentiation.

Why Choose Us?

24/7 Emergency Callout:

We understand how important the safety, efficient service of your personnel elevators are to you at Century Elevators. A non-operating elevator can lead to downtime and can create insecure conditions for your workers. We provide 24-hour, 7 days a week emergency call out service and repair so that your elevators are up and running as soon as possible, reducing any work slowdowns and safety problems. We feel proud in ourselves in working collaboratively with our clients.

Fully Qualified & Insured:

Our staffs are highly qualified for lift repairs, maintenance or fixing problems. we always have a team of experienced and trained engineers on call should any problems or breakdowns occur with your lift systems. The quick and efficient repair of your system is our first priority when dealing with your breakdown. Call us 24/7, any day of the year, if you urgently need our reliable and professional repair and maintenance services.

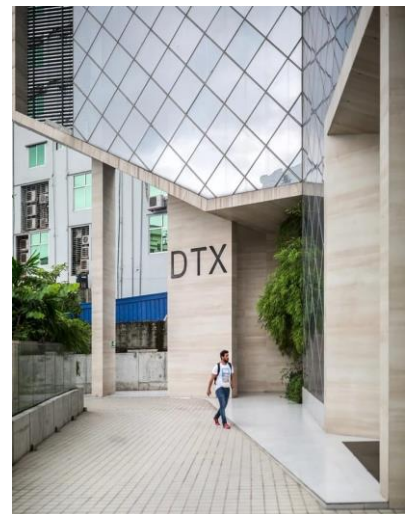

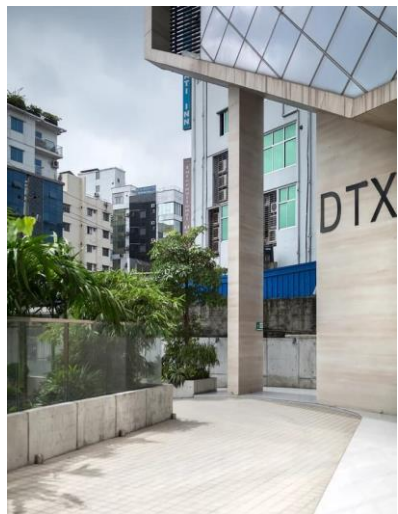

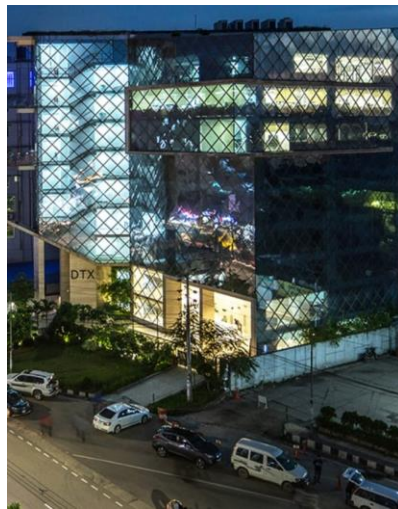

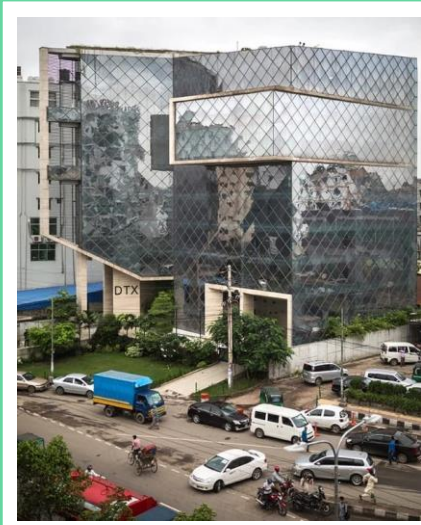

All Our Work Is Guaranteed:

We fully support the quality of our range and we emphasize that defects and manufacturing defects are guaranteed for 1 year. The legal warranty applies for all products that you purchase from us. The billing invoice of your product acts as a certificate of a guarantee. Keep it safe!

A message from our respected Owner:

The Journey of DTX Engineering Farm started 2005 in the Elevator sector, Generator Sector. Day by day, I included many items like Solar Panel, Water Purifier, Sub-station and Coffee Machine. I am committed to provide good quality of Elevator, Escalator, Observation Elevator, Freight/Cargo elevator, Parking System and my all products item with quality installation, Modernization, and sales service. Our highly satisfied building owners are the best brand ambassadors.
